City Clerk Gives Notice Of Nomination To Fill Vacancies In Council

Action Is Taken Under Charter as Result of Unseating of Mayor McNamara and Alderman East—If Election Is Necessary Date Is Fixed for November 16th—Nominations Will Be Held Next Monday

Notices were issued yesterday by the offices of the city clerk to the members of the council, advising that they are nominated or retain their seats on the council, the result of the unseating of Mayor McNamara and Alderman James East. Nominations are to be held next Monday, November 16th, at the expense of the council at election offices, and if an election is needed, the voting will be held the following Monday, November 17th.

The notices sent yesterday read as follows:

NOMINATION OF CLARENCE H. EAST
Public notice is hereby given that a meeting of the electors of the Ward of Grouard, in the council chamber at the City Hall, 1020 Main Street, in the City of Edmonton, on Monday, the 16th day of November, 1914, from 6 p.m. until noon, for the purpose of electing a mayor of the city and an alderman to fill the term of W. J. McNamara and James East, deceased.

At my hand at Edmonton, the Second day of November, A.D. 1914.

CHAS. ED. K. COX,
returning officer.

At far there appears some question as to who was nominated next Monday. The public notice is to act as nomination. There has been no talk of a contested election. The public notice is a mere measure to the fact that citizens get to know who is nominated. The election of a mayor will not be a candidate for re-election in December, nor for the next year. Those who are to be re-elected, Alderman Debrace and Alderman Smith and Gader are to be re-elected.

At my hand at Edmonton, the second day of November, A.D. 1914.

The modern notion of the government is that the people are represented by some of the aldermen at least once a year, and the council is elected annually.

Certain it is that several of the aldermen believe that it is necessary to have a general election for the holding of an election every year, and that this is borne out by a strict reading of the charter. The city council and the city clerks believe that under the charter there is no alternative but to have a general election.

Ex-Mayor McNamara will not be a candidate for re-election, and he said so himself and is not likely to change his mind within the next week.

INSURANCE AGAINST ITALY'S PARTICIPATION.

London, Nov. 2, 2:21 p.m.—A proposal to insure against Italy's intervention, which is 90 per cent. was paid at Lloyd's today to insure against a declaration of war by Italy. The sum is the greatest power before the end of December. The amount of the premium indicates that the underwriters regard the risk as considerable.

Wolgast Breaks Right Arm In Bout With Freddy Welsh

**FREDDIE WELSH
WON. WOLGST
HURT HIS ARM**

Bout Was Stopped in the Eighth Round When Ex-Champion Was Unable to Continue

WOLGST BEAT WOLGST

By HENRY LEASED WIRE.
NEW YORK, Oct. 2.—In tonight's ten round bout between Freddie Welsh and Ad Wolgast, the defending champion was unable to continue in the eighth round. Wolgast asked the referee to stop the fight, claiming the doctor who examined the injury announced that the thumb bone was broken.

Both men weighed 165 lbs. at 15 round weight. Welsh had a 10-second advantage in the first round. With the exception of the second round, Welsh had all the better of most of the rounds.

During the seventh round it was seen that Welsh had not suffered much damage, and the return Welsh gave him an awful drubbing. A smashing right repeat of his last was cast by Welsh, and Welsh was pounding him with both hands as well.

Welsh returned to his corner with his right arm limp in a sling. After examining the injury he stepped out of the ring.

The *Kilmarnock*, a sketch played by Winifred Sherrin and Jack Montgomery, was very much like a drama from the stage. Miss Sherrin, or as she is known, Miss Sherrin herself says, *Oora, The beautiful Irish melodramatic, tells the strange adventure of a poor working girl. Her best friend, Mr. Kilmarnock, was saved from drowning, but when he came to her rescue, she started to protect herself. There is a villain in the story, but there is also another villain two blocks away waiting for his kidnapped child, who is the daughter of the woman who are bandits and sons and wicked and a revolver shot. Very exciting.*

Billy Sheer and Jay Hartley continue their tour of the country, a comedy that brings them many regulars. They enter the stage before a full house, and the audience is entertained. Their jokes were witty but their songs were not. The crowd in the midriff and at every corner of the stage.

Haley and Haley sing several "sophomore" songs, and are followed by a monkey. His Simianism makes a big hit.

The *Four to Nine* Brothers, two big and two little, do some clever tumbling and balancing with ladders which have been replaced by wash pictures.
